NOTICE
UNM Hospital Board of Trustees
Quality and Safety Committee

The University of New Mexico Quality and Safety Committee (QSC) is a subcommittee of the UNM Hospital Board of Trustees (HBT). The QSC is responsible for monitoring and improving the quality and safety of patient care at UNM Hospital. The QSC is composed of representatives from various UNM Hospital departments and is chaired by a member of the HBT. The QSC meets regularly to discuss and address quality and safety issues. The QSC reports to the HBT and provides recommendations and reports to the HBT on quality and safety matters. The QSC is a key component of UNM Hospital's commitment to providing high-quality, safe patient care.
