UNMHS RFP P405-19 Physician Engagement Survey

General Questions:

1. The Scope and Background does not provide the number of Physicians / Providers to be included in the survey. Can you provide an overall total number of Providers to be invited to the engagement survey? **Answer: See addendum number 1, question 3.**
2. Can you also provide the number of Providers surveyed that are MD's vs APP's? **Answer: There are approximately 1900 MD's including residents, fellows and attendings; and 300 APP's**
3. Can you provide a breakdown of the number of Providers that should be surveyed for the Hospital experience vs their Clinic based experience? **Answer: No. Many of our providers work in both spaces.**
